MEMORIAL DAY 2010

The Memorial Day Exercises were a great success. The Parade was divided into two sections, a Motorized section and a Marching section. The Motorized Parade had several new additions, which included an Uniform Float that had a dozen different military uniforms. The float was pulled by a nicely restored farm tractor. Two additional passenger float were added, one was entitled Veterans and the second was Dunstable Seniors. In addition to these floats we had the customary antique automobiles followed by the Children's Cow Train and last in line was the new Fire Truck with it Stainless Steel tank sparkling like a diamond.

The Marching section was also well attended. The parade led off with a large flag carried by approximately 30 participants. This year's theme was "The Korean War", honoring the soldiers and men and woman of that era. Soldier's in attendance from that era included Cliff Davis, Don Rock, John Goldthwaite and John Adams. J Several others wished to attend but due to personal reason could not; however they were remembered.

Korean War veterans are a unique breed. Those who served their country during the active war years of 1950 – 1953 grew up in the Depression and experienced World War II, either in the military or on the home front. They grew up in a time of high patriotism, a time when duty, honor, country were meaningful words. When their tour of duty ended most returned to the United States with little fanfare (unlike the end of WWII) and picked up their pre-war lives and carried on with them. Too few of them talked about their Korean War experiences, talking about them were often too painful. Dunstable had one casualty from the Korean War, Sgt. Vernon R. English was a member of the 2nd Infantry Division – Army and was captured on Feb 13 1951 in the battle of Hoengsong, South Korea. He was severely wounded and was part of prisoner exchange in June of 1951, succumbing to his wounds on June 8th, 1951. He was 19 years old.

The ceremony in the center was lead by Ted Gaudette, who offered a moving speech about the Korean War; followed by Deacon Ken Burt who a reflective prayer on this important time of our history. Rep Hargraves spoke on the importance of the Korean War and reflected on the day President Truman announced to the US that South Korea had been invaded by the North crossing the 38th parallel.

A medley of patriotic songs was offered by the Dunstable Men's Quartet.

After the Center ceremony a Veterans photo shoot took place in front of the Rev War Monument to which all veterans were invited to participate in.

My thanks to the Cub and Boy Scout organizations, they were well represented and were a great help with the wreath laying ceremony. The Civil War wreath was presented by Vet. Don Rock and Scout Gabe Higley, WWI presented by Vet. Dave Ambrose and Scout Tim Crandall, WWII by Vet. Ralph Sabatino and Scout Josh Booth and the Rev War by Col. Lynch and Grange Youth Jacob Tully I also wish to note that prior to our official ceremony the Cub and Boy Scouts attended two wreath laying ceremonies, one at Sgt. Vernon English's stone on the corner of Brook St. and Pleasant St, and the second at Gerald Dumont Square. Nick Jablonski offered a reading at the POW memorial and Taps were played by Ethan and David Pallian.

The service at the Center Cemetery honored 2nd World War veteran, Robert Rockwell and Korean veteran, Sgt. Vernon English. Both men died in the service of their country.

The Navy Chief John Adams, with the aid of new enlisted Paul Woodward raised the flag to the top of the pole and slowly lowered it to half mast as Julie Overhieser sang the National Anthem. The anthem was followed by a dual reading of the Pledge of Allegiance by Erin and Steven Tully. The Dunstable Junior/Cherub Choir offered a medley of patriotic songs.

The ceremony ended with Taps and a Salute by the 6th Middlesex Colonial Regiment.

In closing, on Memorial Day weekend we all pause to remember the Soldier past and present in our own special way, it is the next 364 days that we need to focus on. There is a website entitled – Join the Adopt a Soldier Program which is a 501c3 nonprofit organization that helps men and woman in the service. Log in and take a look, hopefully you would like to help in this manner.

Thank – You’s

The town’s center and cemetery looked pristine thanks to the volunteers from the Garden Club, John Cover and the Cemetery Commission. Great Job!

Lastly, on behalf of the Memorial Committee we wish to thank all who participated and helped make this a successful Memorial Day, with special thanks to:

BOARD OF SELECTMEN

The Board usually meets at the Town Hall on Monday evenings commencing at 7:00 P.M. with any variations to this schedule posted accordingly.

The Board, as always, would like to extend its thanks to all the individuals on town boards and committees who continue to unselfishly donate their time and energy to maintain Dunstable and the things we most cherish about this town we live in.

The members were elected to serve in the following roles for this term: Kevin W. Welch as Chairman, Walter F. Alterisio as Procurement Officer and Kenneth J. Leva as Clerk.

The Board continues to welcome citizen participation and attempts to work with the citizens and the many boards, officers and committees in an effort to keep up with the many changes Dunstable is experiencing. Members on the Board have been actively working with the Community Preservation Committee, Road Commissioners, GDRSD School Committee and Fincom to name just a few.

The Board continues to work with multiple boards and committees addressing issues as they come up during the year, and will endeavor to continue to do so, the insure all residents can be familiar with proposed project(s) and share ideas and concerns.

TOWN CLERK

In November, the certification of the State Election resulted in a change in political parties in Massachusetts. Libertarian is no longer a political party and Green-Rainbow will become a political party. The political parties will be Democrat, Republican and Green-Rainbow.

In December, the Registry of Vital Records announced the Vitals Information Partnership which will allow the Town Clerks to retrieve and certify birth documents from the occurrence facility electronically. Paper birth certificates will no longer be mailed to the resident communities.

With this report, I'd like to recognize the many elected and appointed boards that work tirelessly for our community. All agendas are now posted on the town website calendar and list the topics the chair anticipates discussing. New members are always welcome to be considered for appointed boards and committees, if you see something that peaks your interest, please contact the Selectmen's office.

The Town Clerk's Office continued to hold Saturday hours in January and February for the convenience of our residents. In 2010, the Town Clerk's office posted 618 board and committee meetings and collected \$12,543.50 in fees to the Town of Dunstable. I hereby submit the annual report of the Town Clerk's Office for the year ending 2010 to the Board of Selectmen and Citizens of Dunstable, Massachusetts.

Respectfully submitted,

Carol A. Skerrett, Town Clerk, CMMC

SPECIAL TOWN MEETING
January 25, 2010

After determining that a quorum was present, the Special Town Meeting was called to order at 7:05 pm by Town Clerk Carol A. Skerrett in the absence of Town Moderator, Anne Farina.

Following the Pledge of Allegiance, the floor was opened to nominations to elect a temporary Moderator for the Special Town Meeting of January 25, 2010. A motion was made and seconded to nominate Ted Gaudette. Members were asked if there were any additional nominations; there were none. Motion made and seconded to close nominations. A vote was taken to close nominations which passed unanimously. Ted Gaudette was declared temporary Moderator for the Special Town Meeting of January 25, 2010 and was sworn in by Town Clerk Carol Skerrett.

Tellers appointed included John Callahan, David Barker, Jim Regan and Tom Dumont who were all sworn in by the Town Clerk. The check in table was staffed by Ann-Marie Wright.

ARTICLE 1. Motion made and seconded that the Town appropriate the sum of \$260,000.00 for the purpose of acquiring for conservation and passive recreation purposes, by eminent domain, negotiated purchase, gift, or any combination of the foregoing methods, or otherwise, to be in the custody of and managed and controlled by the Conservation Commission under the provisions of Massachusetts General Laws, Chapter 40, Section 8C, as amended, or any other Massachusetts statutes relating to Conservation, certain real property together with any improvements thereon, known as the Carter Farm property situated on/near the easterly side of Hardy Street, being a portion of Assessor's Parcel No. 20 on Map 30, and being shown on a plan of land entitled, "Plan of Land, 81 Hardy Street Dunstable, Massachusetts," dated June 5, 2009, prepared by Norse Design Services, Inc., being a portion of the premises described in a deed dated July 28, 1994, recorded with Middlesex North District Registry of Deeds, Book 7176, Page 226; said premises comprising 10.89 acres, according to the plan; and further, that the Conservation Commission be authorized to accept any and all gifts of money designated for such purpose, in which event, the Treasurer may with the approval of the Selectmen reduce the amount to be expended by the Town commensurate with any such gift or gifts; and that the Town and the Conservation Commission be authorized to enter into any and all agreements, execute any and all instruments, or otherwise do all things reasonably necessary and ordered to these purposes; provided that this vote is contingent on an affirmative vote under Article 2 of this warrant to transfer from the Community Preservation Act accounts the sum of two hundred nineteen thousand dollars to be applied to the purchase; and further, this vote is contingent on the town being in receipt within thirty days of this date of not less than \$41,000.00 in donations from private sources designated by the donor or donors for application to the purchase authorized under this vote.

The motion is supported unanimously by Fincom and Board of Selectmen. Planning Board did not vote on this article.

ANNUAL TOWN MEETING
May 10, 2010

After determining that a quorum was present, the Annual Town Meeting was called to order at 7:06 pm by Moderator, Anne Farina. The format of the evening was outlined; the Moderator would accept a motion to recess the Annual Town Meeting and open the Special Town Meeting. Following the adjournment of the Special Town Meeting, a motion would be accepted to reopen the Annual Town Meeting. Upon returning to the business of the Annual Town Meeting, Article 2 would be stated by line item and a motion for unquestioned line items would be made and voted on. Questioned line items would then be considered. Town meeting tellers appointed were Mary Beth Pallis, Cheryl Mann, Patrick Wetmore and John Livingston who were sworn in by Town Clerk, Carol Skerrett. Voter check-in tables were staffed by Ann-Marie Wright, Amy Schembechler and Lorraine West.

Announcements included the reduction in the number of mailings for the tax bills, the wonderful Mother's Day breakfast sponsored by Boy Scout troop 28, information from FEMA regarding claims for damage incurred by the March flooding and a request to complete surveys prepared by the Safe Pathways Committee and Conservation Commission. The American flag was carried by members of Troop 28: Ethan Webber, Dunstable flag John Frey, Color Guard, Tim Crandall, Alec Barranco, Nik Jablonski, Sean Sullivan.

Following the Pledge of Allegiance, Town Clerk Carol Skerrett read the greetings; a motion was made and seconded to dispense with the reading of the articles, ending with the closing of the warrant and return of service.

ARTICLE 26. Motion made and seconded that the Town raise and appropriate the sum of Three Hundred Nine Thousand Six Hundred Forty Seven (\$309,647.00) Dollars, in addition to sums appropriated under Article 2 hereof, for the town's assessed portion of the budget of the Groton-Dunstable Regional School System for fiscal year 2011, contingent upon an affirmative vote on the ballot provision seeking authority to override Proposition 2 1/2, so-called, relative to the Town's assessed share of said school budget.

A presentation was made by Jim Frey, Chairman of the Groton-Dunstable Regional School Committee to explain the need of the override. Following the presentation, Dan St. Jean (representing the Advisory Board) stated the Board voted 4 against, 1 in favor, 1 absent. Walter Alterisio stated there was not consensus of the Board of Selectmen though he personally was in favor stating his concern for the town budget; should the ballot vote fail in Dunstable and pass in Groton, a district-wide meeting could be called. With a majority affirmative vote, the Town of Dunstable would be required to fund the \$309,647 out of the town budget.

Motion made and seconded, voted in the affirmative to move the question. Motion made to vote by secret ballot, motion not seconded. Moderator proceeded to take vote in usual manner.

ARTICLE 33. Motion made and seconded that the Town of Dunstable amend the Zoning Bylaw in Section 8. B-1 Retail Business District providing for certain uses by Special Permit of the Planning Board by adding Section 8.2, Uses Permitted by Special Permit of the Planning Board as written in the warrant article of the 2009 Annual Report, Article 33.

During the discussion, it was noted that although Planning Board spoke in favor of Article 32, a formal report with recommendation had not been submitted. Proceedings under Article 33 were interrupted and a motion was made and seconded to reconsider Article 32 for administrative purposes of recording the Planning Board recommendation. The motion was read again verbatim by Planning Board member, Brett Rock with a Planning Board recommendation to adopt the amendment by a vote of 4 -1.

Returning to Article 33, following a lengthy discussion which included a Planning Board recommendation by a vote of 4 -1, a comment was shouted from the floor, “let’s get on with it” or

words to similar effect, which the moderator received as a motion to move the question; it was seconded; voted in the affirmative, motion passed. The vote was then taken.

2/3 Vote Required
228 votes cast. 152 Affirmative Required. Yes Votes: 149
Motion Defeated

A recount was requested which was supported by more than 7 voters. Moderator divided the room with “yes” votes on one side and “no” votes on the other. Two tellers were directed to count each side. The tellers counting “Yes” votes returned a consistent tally; but the tellers counting “no” votes were inconsistent (74, 83). Moderator instructed the tellers to count again with all 4 tellers employed to count the “no” votes. The “no” votes were inconsistent again by all 4 tellers (76, 76, 74, 73). Moderator instructed all negative voters to file by the Moderator’s podium for a direct count by her.

The results of the count were tallied and declared by the Moderator as follows:

2/3 Vote Required
221 votes cast: 148 Affirmative Required. Yes Votes: 147
Motion Defeated

At which point, 2 of the tellers (who had originally counted the negative votes) explained to the Moderator they had not voted. They wished to vote in the affirmative. The Moderator sought the comment of Town Counsel privately, and was advised that as the vote had been declared, it was a legal vote, and could not be altered, regardless whether anyone had failed to vote. Persons nearby in attendance shouted “unfair.” The Moderator consulted further with Town Counsel briefly and stated she would entertain a motion to reconsider Article 33.

Motion made and seconded that Article 33 be reconsidered.

ARTICLE 29. Motion made and seconded that the Town rescind the vote taken under Article 15 of the Annual Town Meeting of March 6, 1933 which vote established an Annual Town Caucus, in order to discontinue the Town Caucus pursuant to the provisions of Section 121 of Chapter 53 of the General Laws.

Majority Vote Required
Voted in the Affirmative

ARTICLE 30. Motion made and seconded that the Town vote to amend the Zoning Bylaw in Section 9. B-2 Service Business District, at Subsection 9.1, "Uses Permitted," by deleting the text thereof and substituting the following text:

"Uses Permitted:

Any use permitted and as regulated elsewhere in this bylaw in a B-1 District, but not including any uses incorporated in the B-1 District from the R-1 and R-2 Districts."

and further, at Subsection 9.4.1., by inserting a period (full stop) after the phrase, "...purposes of this bylaw," and deleting everything thereafter within Subsection 9.4.1.;

and further, in Section 11. Development Rules and Regulations for All Districts, by deleting all requirements referenced within the B-2 District as pertaining to "Residential Uses," relative to Minimum Lot Area, Frontage, Front Yard, Side Yard and Back Yard.

Planning Board recommends passage of this article.

Motion Defeated

ARTICLE 31. Motion made and seconded that the Town amend the zoning bylaw in Section 6., R-1 Single Family Residence District, in order to clarify certain provisions relative to appeals rights in connection with customary home occupations by adding in Section 6.1.(g)v., after the phrase, "...shall thereupon be treated as an application for a special permit under Section 6.2," the following clause: "subject to the appeal provisions of Massachusetts General Laws, Chapter 40A, Section 17, as the same may be amended from time to time."

Planning Board unanimously recommends passage of this article.

2/3 Vote Required
Voted in the Affirmative Unanimously

ARTICLE 34. Motion made and seconded that the Town amend Section 15.2. of the Dunstable Zoning Bylaw, "Floodplain District," and the map of said District in the Dunstable Zoning Map, as follows:

(A) By repealing the existing Floodplain District Map, referred to in said Section 15.2., and by substituting therefor those areas of the town designated as special flood hazard areas, Zone A and Zone AE, shown on the Middlesex County Flood Insurance Rate Maps pertinent to Dunstable and issued by FEMA, consisting of twelve (12) separate sheets and being numbered as stated in the Warrant for this meeting, said sheets prospectively dated June 4, 2010, copies of which are available

for inspection at the office of the Planning Board in the Dunstable Town Hall, said special flood hazard areas shown on said maps to be reproduced, illustrated and incorporated in a dedicated, specially drafted Floodplain District Overlay Map, which shall thereupon become part of the Dunstable Zoning Map; and

(B) By repealing Section 15.2. of the Zoning Bylaw, "Floodplain District," as presently constituted, and by substituting therefor the new

"15.2. Floodplain District," the full text of which is printed in the Warrant for this meeting and incorporated in this motion.

Planning Board recommends passage of this article unanimously.

2/3 Vote Required
Voted in the Affirmative Unanimously

ARTICLE 35. Motion made and seconded that the Town amend the zoning bylaw in Section 20. Definitions. By adding the following:

"20.11. Frontage. A street providing frontage is defined as provided in subsection 20.19. Street, Road or Way."

and by renumbering the subsequent subsections accordingly;

and further, by deleting from the definition of Street, Road or Way (subsection 20.18. (c) in the un-amended numbering) the language after the word, "having" through the word "construction," and by substituting therefore the following clause:

"a minimum right-of way width of 40 feet, and a traveled way consisting of 16 feet of asphalt pavement a minimum of three inches thick over compacted, well draining gravel base with two feet wide shoulders of 1 ½ inch angular crushed stone six inches deep,"

so that the amended subsection reads as follows:

"A way in existence prior to said Subdivision Control Law having become effective in the Town of Dunstable, having a minimum right-of way width of 40 feet, and a traveled way consisting of 16 feet of asphalt pavement a minimum of three inches thick over compacted, well draining gravel base with two feet wide shoulders of 1 ½ inch angular crushed stone six inches deep, to provide for the needs of vehicular traffic in relation to the proposed use of the land abutting thereon or served thereby, and for the installation of municipal services to serve such land and the buildings erected or to be erected thereon."

Provided that this amendment shall not be applicable to any lot shown on a plan recorded in the Middlesex North district Registry of Deeds prior to the effective date of the amendment.

Planning Board recommends passage of this article unanimously.

2/3 Vote Required
Voted in the Affirmative Unanimously

ARTICLE 36. Motion made and seconded that the Town amend the Zoning Bylaw by adding a new Section 24 relative to Wind Energy Conversion Devices, the full text of which is printed in the Warrant and incorporated in this motion by reference.

Planning Board recommends passage of this article unanimously.

REPORT OF THE BOARD OF ASSESSORS

To the Honorable Board of Selectmen and the Townspeople of Dunstable:

The three members of the Board of Assessors are elected to a staggered three-year term. The Board meets on the 2nd Thursday of each month at the Town Hall, 511 Main Street at 7:00 p.m.

The Board of Assessors is responsible for valuing real estate and personal property, processing motor vehicle excise taxes, processing statutory tax exemptions (for disabled veterans, elderly, and widows), and for setting the tax rate each year. Valuation sheets are available for public viewing in the assessors' office or at the library.

Items subject to personal property taxation include boats, livestock, business machinery, and unregistered motor vehicles. There is no tax on household goods. Taxpayers may appeal a real or personal property assessment by filing an abatement form with the board prior to February 1 of the year in question or 30 days from the mailing of the first actual tax bill. An abatement form may be obtained from the Board of Assessors office at the Town Hall.

Each year the Board of Selectmen conduct a public hearing and with the information provided by the Assessing Office, determine if they wish to shift a portion of the tax burden from the residential and open space properties to the commercial, industrial, and personal property owners through classification.

After 22 years of service to the town of Dunstable, Vic Stewart decided to retire and enjoy some time and travel with his wife and family. The BOA would like to thank Vic for his dedicated service and wish him well.

Anyone wishing a meeting with the Board should contact the office at (978) 649-4514 ext. 227.

THE DUNSTABLE FREE PUBLIC LIBRARY

The Dunstable Free Public Library had a very successful 2010. We were able to make a purchase of new computers and with the Friends of the DPL sponsoring WiFi we are able to offer more current updated technical services. It is interesting to note that in the last 10 years our interlibrary loans have increased over 600%. We are actively circulating materials to and from this library averaging 2500 a month. We work hard to continue to be a State Certified Public Library and are grateful to the community for their support. We may not seem it but we are eager to change with the times while still providing the programming and opportunities that you all have grown accustomed to.

The Staff works tirelessly and continues to stay focused on the needs of our patrons. Barbara St. Jean and Gail Silveria share the responsibilities of cataloging as well as the circulation desk. Margaret Abeyta and Suzanne Wall bring many years of library experience to our front desk as does Teresa Wiscarva. Susan Tully has worked very hard in the program aspect and children's room. This library would not work with out the wonderful staff. None of us our irreplaceable but we all function as a team and I think the town benefits from that.

Of course behind the scenes we have our very loyal Board of Library Trustees. Cathy Bence, John Callahan and Mary Mahoney all dedicated Library supporters. Mary Mahoney will not be serving as a Trustee in the next term. We want to thank Mary for her hard work and her solid conviction that Libraries Are Important!

We look forward to working with the community as a State Certified Public Library.

Respectfully,

Mary Beth Pallis
Library Director

REPORT OF THE FIRE DEPARTMENT

During the past year the Fire Department has been very busy. The department has had an increase in calls along with an increase in training. A new schedule has been setup with train sessions being held three times a month. This way if a member is unable to attend a session they can still receive the training by attending one of the other two.

On September 30, 2010 the new tank truck was used for the first time at a barn fire on Pond Street. Between the new tank truck and mutual aid we were able to save the house which sustained minimal damage. The mutual aid system worked very well for this incident and is a valuable tool for the department.

The fire department received two grants this year. The first grant was received from DCR for forest fire equipment and the second for training with regards to fire prevention which will be used in the elementary school during Fire Prevention Week in October.

I would like to thank the Police Chief and his department for all their help and cooperation during this past year. Also, thank you to Emergency Management Director Bill Ahern and his staff of volunteers for their help and assistance.

I would like to take this time to say thank you to everyone who has helped at the different events that the department ran during this past year. Without your help these events would not be possible.

To the officers and members of the Dunstable Fire Department I want you to know that your help is highly appreciated and that without you this department would not be what it is today. **"Thank You!"**

REPORT OF THE BOARD OF HEALTH 2010

The Dunstable Board of Health meets on the first and third Tuesday of the month. A common, though time consuming activity at Board of Health meetings is the review of on-site wastewater disposal system plans and well test results for proposed and existing lots. Another area of frequent activity relates to the management of the transfer station and waste disposal matters.

Our agents, the Nashoba Associated Boards of Health complete all the field work and maintain records for the Town relating to on-site disposal system and well test matters. Other, health care related activities by our agent are also included in the Nashoba Associated Boards of Health Report on file at the Town Hall or on the Town website in the Town Report folder. Our Nashoba agent, Bridgett Braley is available for consultation and receipt of documents every Wednesday afternoon from 1: 00 p.m. to 3:00 p.m. in the lower level of the Town Hall. . She can be reached at 978-649-4514 Ext. 235 during those hours. She may also be reached Monday-Friday at the Nashoba office at 1-800-427-9762 Ext. 303. The Board of Health Secretary is available on Tuesday of each week.

The solid waste costs for Dunstable remain relatively low, in large part due to the volume of recyclable materials removed from the trash stream. The citizens of Dunstable are to be commended on their efforts. Bulky item disposal was conducted in April and October. A hazardous waste collection day was held jointly with Tyngsborough in May. Televisions, computers, monitors and printers were also collected on that day. .

A full listing of the bulky items that can be deposited at the transfer station and the number of tags required can be obtained from the Board of Health office or on the Town of Dunstable Website. Transfer station permits are \$155.00/household. Senior citizens may purchase a permit for \$30.00. Bulky items such as furniture, carpets, mattresses, etc. can be disposed of twice years at times that will be published and which are usually scheduled for the last three weeks of April and the last three weeks of October.

POLICE DEPARTMENT

To the Honorable Board of Selectman
Dunstable, Massachusetts

I hereby submit the annual report of the Police Department for the year ending December 31, 2010

Chief of Police:	James G. Downes III
Lieutenant of Police:	James W. Dow
Sergeant of Police	Darrell Gilmore
Patrol Officers:	Michael Lynn, Erik Hoar, Nicholas Papageorgiou, Charles Chaprales
Reserve Officers:	George Aggott, Sean Ready, Daniel Kowalski Michael Tedesco Gregg Sanborn
Traffic/Detail:	John Koyutis, James G. Downes Jr.

A complete breakdown of police statistics involving types of calls received, motor vehicle violations and court action is available at the Town Hall during normal business hours in either the Town Clerk or Selectman's Office, along with a list of violent crimes committed since 1970.

With the closing of 2010, the Dunstable Police Department kindly thanks all the citizens of Dunstable who have assisted in our annual crime prevention efforts. I am certain that our community-police collaboration continues to play a significant role in preventing crime. Our written motto ("Community Partnership") as displayed on all Dunstable cruisers suggests that a successful crime prevention program is fostered through a collaborative relationship between police and the community.

With the start of a new year, all members of the Dunstable Police Department continue to remain eager to serve the public safety needs of the community. Throughout the New Year, officers will continue to remain visible and active within the community. Officers will remain accessible to address issues of crime and neighborhood concerns. In addition, officers will continue to maintain high standards of professional development.

During the past year, officers attended several training sessions. Officers completed mandatory in-service training held at the Lowell Police Academy. While attending the police academy, officers received legal updates and first responder refresher training.

In addition Officer Hoar attended a two week investigative training course provided and sponsored through the Northeast Massachusetts Law Enforcement Council. Over the last few years, the complexities of traditional criminal investigations and cyber crime investigations have increased exponentially, requiring officer to maintain new standards of proficiency. In other training, Officer Hoar completed training concerning active shooting incidents.

Several officers completed a refresher course in emergency vehicle operations. This course was provided through the Massachusetts State Police (free of cost) and conducted at the Devens facility. Instruction included practical driving applications and a greater understanding of motor vehicle risks.

Throughout the year, the Dunstable Police Department completed monthly roll-call training in which officers participated in training involving a myriad of topics. Some of these training topics included: use of force, domestic violence, mentally disabled persons, accessing criminal justice information, incident command, search & seizure, juvenile laws, and harassment prevention training Etc. Training methods consisted of distance learning training and practical in-service training.

In order to stay better prepared and adequately informed, officers attended several community events and local meetings. Officers attended area detective meetings in order to disseminate and receive criminal intelligence. Officers also attended meetings concerning: domestic violence, court procedures, school/juvenile issues, and on-

line sexual predators. Clearly, policing in the 21st century requires effective police officers to be well trained and well informed in contemporary criminal justice issues.

Although officers remain challenged with a variety of criminal investigations, the professionalism of the officers and the partnership with the community has remained steadfast. Police professionalism and community partnership is the cornerstone of our success.

Officers attended several local Board and Committee meetings in order to receive and disseminate important information. In addition, officers were available at the Summer Concerts, Vehicle Night and several other community events. The Police Department participated in “community reading day and officers met with local boy/girl scout groups to discuss personal safety. The Police Department is committed to making officers accessible to the public.

The Police Department increased the dissemination of information to the public through the “NIXLE” electronic notification system. Residents may sign up for this “opt in system” by going to the www.nixle.com site and receive police information. Residents may also receive information by viewing the Dunstable Police Department’s cable access program, Groton-Dunstable 9-1-1. Throughout the year, several important topics and interesting guests were invited onto the program. The program can now be viewed on the town web site. These media sources have helped police develop further investigative information while serving to keep the community informed.

Residents may continue to view the Chief’s monthly message in the Neighbor to Neighbor newspaper and on the Town of Dunstable web site.

Throughout the year, the Dunstable Police Department provided residents valuable information concerning several free criminal justice programs which remain available to Dunstable residents. Some of these free services were featured on Groton-Dunstable 9-1-1. They include: Middlesex Mediation (978) 656-3342, Battered Women’s Resources, Inc. (978)537-8601, The Samaritans(Crisis Lines),(978)-327-6607, Teen Help Line(978)688-8336, Rape Crisis Services 1-800-542- 5212 and Focus(Victim Counseling Services) (978) 458 6282.

In addition, the Police Department is pleased to report that an electronic records management system has been implemented. This system will allow the Police Department to better access and manage internal records. More importantly, the Police Department will be better strategically positioned in order to effectively deploy scarce resources. The analysis of credible and reliable information will improve our directive patrols.

Although grant funding was limited throughout the year, the Police Department did evaluate several grant proposals and joint partnerships. As of this writing, the Police Department awaits the notification of a Police technology grant awarded through the State of Massachusetts.

The Police Department partnered with the Groton-Dunstable Regional School and the Greater Lowell Vocational School to discuss emergency response plans and the recent anti-bullying legislation that was ratified in 2010. In addition, the Police Department conducted several emergency drills at the Swallow Union School in Dunstable.

Throughout the year, officers remained engaged in several lengthy criminal investigations. Many of these investigations were related to crimes against property and person. I am pleased to report that in several of these investigations local residents were cooperative in providing valuable information to police investigators. In addition, the Police Department solved a thirty year old cold case.

Several investigations required Dunstable officers to successfully partner with other outside agencies. In order to protect the rights of victims and apprehend suspected criminals, the police department remains committed in extending investigations beyond town boundaries.

In closing, I would like to take this opportunity to express my sincere appreciation to the Dunstable Fire Department, Dunstable Emergency Medical Service, Dunstable Highway Department and the Police Departments from the surrounding communities for their professionalism and continued service.

Also, I wish to thank all N.E.M.L.E.C. communities, Massachusetts State Police, Federal Bureau of Investigation, Treasury Department, District Attorney and the Attorney Generals Office for their assistance.

I express my grateful appreciation to the many New Hampshire law enforcement organizations for their continued assistance.

In addition, I would like to express my sincere thank you on behalf of our department to the members of the Board of Selectman, the municipal personnel and to the citizens of the Town of Dunstable for their cooperation and support, and we anticipate serving you in the upcoming year.

Respectfully submitted,

James G. Downes III
Chief of Police

TOWN ACCOUNTANT

To the Honorable Board of Selectmen and the Townspeople of Dunstable:

I am continuing my appointment to the position of Town Accountant by the Board of Selectmen which will expire June 30, 2011. I am enjoying my position with the Town of Dunstable and have had the pleasure of working with department heads, various boards and the finance committee. The Accounting Department runs smoothly due, in no small part, to the ongoing efforts of Ruth Rogers, the department assistant. Ruth's dedication to supporting the operation of this Town is commendable and inspirational.

The mission of the Accounting Department is to provide timely and accurate financial data to assist users in making informed decisions. This department is committed to being a resource to all users before, during and after any financial transaction. As the Town Accountant, I am responsible for verifying any expense payment is lawful and does not exceed the budgeted appropriation. I maintain municipal books for all financial transactions, including detailed records of all debt, and at the close of the fiscal year prepare reports for the Department of Revenue for the certification of free cash. Each month I issue reports to all departments detailing their appropriations, expenditures made, and the remaining balances. Additionally, I work with the Treasurer to ensure cash is reconciled monthly and work with the Assessor to aid in the preparation of the annual tax recapitulation report.

The Financial Statement Audit for the year ending June 30, 2010 should soon be underway by the independent accounting firm of R.E. Brown & Company. The Town will have another audit for the fiscal year ending June 30, 2012. The 2010 fiscal year has been closed and the statements that follow in this report reflect all financial activity for that period. Free cash for July 1, 2010 was certified by the Division of Local Services on September 26, 2010 in the amount of \$179,010 for the general fund, \$-3,872 for the water enterprise fund, and \$8,407 for the transfer station enterprise fund. Schedule A was submitted to the Department of Revenue before the October 31st deadline and has been approved.

Financial information is available on the Mass.gov website and by contacting this office through email kfales@dunstable-ma.gov or phone 978-649-4514 x 221. Regularly scheduled office hours at the Town Hall are Wednesday 9:30 to 3:30.

Respectfully submitted,

Kimberley Fales, CPA, CGA
Town Accountant

The deficit for FY10 is due delays in reading meters and issuing bills for the second annual billing. As a result of the delay, many customers accounts remained unpaid at the end of the fiscal year. This is a timing issue, and not the result of a structural operating deficit.

CEMETERY DEPARTMENT

Dunstable's Central Cemetery is a public, nonsectarian cemetery open to Dunstable residents. The operating budget comes from annual Town Meeting appropriations, fees, and trust fund interest. Three elected Commissioners govern the cemetery; an appointed superintendent handles interments and maintenance, including four outlying cemeteries now closed to burials from the general public.

In 2010 there were 14 interments. The new section ("D") was opened for lot sales. The crew painted and stabilized the tool shed (the "hearse house" in the 19th century), painted the gates and replaced signs at the outlying cemeteries. Repair and restoration of several 18th and 19th century monuments was completed; painting and repairing of the Westford Street fence continues.

The Cemetery Department, in conjunction with the Tyngsboro-Dunstable Historical Society, conducted a program in which attendees were asked to locate certain monuments in order to discover interesting facts about past residents of Dunstable. For example, at least six soldiers who died in the Civil War are interred at the Central Cemetery, plus many more who survived the war. The Cemetery Department thanks the Highway Department for snowplowing and brush chipping, and the Police Department for help with traffic control during large funerals and monitoring of all cemeteries to prevent vandalism.

The Cemetery Department asks that visitors to the Central Cemetery take note of and follow posted rules regarding plantings and decorations. These rules are designed to maintain the beauty and dignity of the cemetery, and to ensure economy and safety in cemetery maintenance, particularly where power equipment is used.

COUNCIL ON AGING

The Senior Citizens of Dunstable continue to be served by the Council on Aging.

The Council serves under the direction of the State Department of Elder Affairs and the Elder Services of the Merrimack Valley. The Dunstable Council on Aging contributes a fee of \$273.00 in dues and fees each year, for it's participation fee for which the Elderly receive assistance with Fuel Assistance, Advice, and referrals of necessary help.

Director Ruth Tully, who is available at the Town Hall on Tuesday, 12 noon to 4 pm and Wednesday from 12noon to 3:p.m, is serving the Dunstable Seniors.

We now have the Alternative Transportation Program in effect, which provides a more flexible service for the seniors without any other rides. This Alter-Ride Van Service is for Medical and shopping trips and has proven to be a very responsible, co-operative and always prompt and courteous. This service has proven to be very successful and also very accommodating. We are trying to set up rides for any senior who would like to attend the Senior Club or Senior Center to be able to come and enjoy themselves. Also, there is a Handyman in town that has been very helpful to many of our Seniors who need some work done around the yard and home. We now have added a snowplowing and snow shoveling service for those who need the help clearing their walkways.

We provide help with the Senior Pharmacy Programs and Fuel Assistance, and the Meals on wheels program. At the senior meeting day, which is the First Wednesday of the month, we provide a blood pressure clinic, cholesterol checks, and have a day for Flu/H1N1 and Pneumonia shots. The town nurse is at the Town Hall the same day from 11:00 a.m. to 12:00 p.m, which is on the first Wednesday of every month. We also have assistance with applications for Food Stamp Applications.

In May, the Tyngsboro-Dunstable Lion's Club put on a delicious Roast Beef dinner for the Senior's of both towns, which was well attended and very much enjoyed. In June, the Dunstable Police Union put on an outing for the Senior's and treated them to a Luncheon at Scupper Jacks, in Acton. Everyone had a great time and the meal was delicious. In July,, the Dunstable Fireman put on a great cookout for the seniors, which was also delicious and appreciated by everyone In August, Senator Panagiotakis treated the Seniors to a cook-out and answered any questions they might have had. This was his last one before the Election and we wish him well in his new endeavor. In September, we had a guest from the Shine program to help explain the new Medicare Part D. program in October.

We now have a Triad Officer, Sgt. Darrell Gilmore, who has been very helpful to the Senior's and is keeping them updated with a lot of valuable information. We have added another service to the Seniors which is a Shine Councilor, Kay Whitehead, who helps the Seniors with Insurance problems and understanding Medicare benefits. If anyone needs to schedule an appointment, they need to call Ruth Tully at 978-649-4514 ext. 223. Mrs. Whitehead is usually at the Town Hall on Thursday's from 11am to 1pm.

There are approximately 450 seniors in the Town of Dunstable. Several of these received varying kinds of services over the past year, such as Fuel Assistance, Meals on Wheels, and Transportation and local assistance. . The Council applied for and received a grant in the sum of \$3500.00 from the State of Massachusetts. The members of the Council on Aging and the Director volunteer their time to help wherever and whenever needed.

The Council on Aging are working with the Seniors of Dunstable to show the need for a Senior Center, which is now at the Dunstable Library. We are getting some support and would like to encourage any resident 60 years or older to come and join us to have fun, and become involved. This is held the 2nd, 3rd and 4th Wednesday's of every month.

The Dunstable Senior Club meets once a month, on the first Wednesday of every month. The meetings start at 11:00 a.m. and begin with a catered meal put on by the Merrimack Education Center, followed by a business meeting and entertainment. We welcome all Citizens 60 and over to come and join the Club and have some fun.

REPORT OF THE CONSERVATION COMMISSION

The Dunstable Conservation Commission meetings are generally scheduled on the second and fourth Monday of each month at the Town Hall, starting at 7:30pm. Interested residents are welcome to attend.

The Dunstable Conservation Commission serves the community as a state mandated regulatory agency while also promoting the conservation and sustainable use of Dunstable's natural resources. The Conservation Commission Act (Massachusetts General Laws, Chapter 40, Section 8C) of 1957 designates the Conservation Commission as the official agency charged with the protection of the community's natural resources. In 1972, Conservation Commissions were given the added responsibility for administering the Wetlands Protection Act (MA G.L. Chapter 131, Section 40). In addition to its responsibility under the state statute, the Commission has similar responsibilities as set forth in the Dunstable General Wetlands Bylaw.

Under the Wetlands Protection Act and the Town Bylaw, Commission files show the following actions were taken in the calendar year 2010:

Notices of Intent Hearings/continuations	5
Requests for Determination/continuations	2
Site Visits	10
Certificates of Compliance	2
Building Permits	1
Occupancy Permits	1

Commission member Alan Chaney attended the MACC conference February 27th in Worcester. Secretary Cheryl Mann attended the DEP new on-line filing system class. Notices of Intent and Orders of Conditions are now filed electronically. Judy Larter served as the Commission's representative on the Community Preservation Committee.

The Conservation Commission held a "cut your own Christmas tree" sale December 4th and 11th at the Flat Rock Hill (Mill St.) and Amos Kendall (High St.) conservation properties. The Commission raised \$1,720. Funds must be spent for conservation purposes.

With funds from the Community Preservation Act, the Dunstable Rural Land Trust and individual donors, the Town purchased 10.89 acres on Hardy Street for conservation purposes. This property is called the "Howard's Brook Conservation Area in Memory of Edward P. and Arlene M. Fitch".

Commission members worked diligently all year in order to produce a draft of a new Open Space and Recreation Plan. The plan was sent to the Division of Conservation Services and has been contingently approved for the next seven years. This plan qualifies the town to apply for "Self Help" grants of up to \$500,000 for land acquisition.

The Commission, working with a forester, is selectively cutting timber on the Farnsworth and Spaulding Proctor properties. Monies from these cuts must be used for Conservation purposes. The cuts will improve forest growth and wildlife habitat.

Three Eagle Scout projects were completed in 2010. Twenty-five bat boxes were assembled/mounted on conservation properties by Benedict Walsh. Matt Banville used GPS to identify/produce the "Pine Pathways & Esker Trail" map for the Pierce Town Forest and Unkety Woods Preserve. Patrick Thomas built two picnic tables for Blanchard Hill and painted a sign with a panorama view of the mountains that can be seen from the site. Thank you to all the scouts!

One sometimes hears that Dunstable is "closed to hunting". This is not the case. Dunstable does have a "discharge of firearms" bylaw. One must have the written permission of the landowner in order to discharge a firearm. As a matter of practice, neither the Town, nor the Dunstable Rural Land Trust grant such permission for land they control. Bow hunting and fishing are permitted unless the landowner's property is posted. State

property (Massachusetts Division of Fisheries & Wildlife) is governed by separate rules; check their website at <http://www.mass.gov/dfwele/dfw/>

Questions sometime arise with regard to the operation of snow vehicles and recreation vehicles. Residents may wish to refer to Massachusetts General Law Chapter 90B, Section 26, paragraph (e): “No person shall operate a snow vehicle or recreation vehicle on privately-owned property unless...the operator has in his possession...a document, signed by the owner...authorizing operation of such vehicle...”

No person shall operate a snow vehicle or recreation vehicle on publicly-owned property except on trails marked and designated for use by such vehicles, or without the express permission of the owner.”

PLANNING BOARD

Chapter 41, Section 70 of the General Laws of Massachusetts allows for every town with a population of less than 10,000 people to create a Planning Board which shall make careful studies of the resources, possibilities and needs of the town, particularly with respect to conditions injurious to the public health or otherwise in and about rented dwellings, and make plans for the development of the municipality, with special reference to proper housing of its habitants.

The Planning Board would like to remind residents that many of the roads in Dunstable have been designated as scenic roads. According to M.G.L. Chapter 40, Section 15C, “after a road has been designated as a scenic road any repair, maintenance, reconstruction, or paving work done with respect thereto shall not involve or include the cutting or removal of trees, or the tearing down or destruction of stone walls, or portions thereof, except with the prior written consent of the Planning Board.....”. If you have any questions, please call the office (978) 649-4514 x230.

The Dunstable Planning Board meets regularly at 7:30pm on the first and third Mondays of each month, or as required. There are 5 board members. Three board members are required to conduct regular business and four members are required for hearings.

The Board would like to thank Joyce Cail who was the Planning Board contact working with the Northern Middlesex Council of Governments in 2010.

George Basbanes has agreed to continue as the Planning Board representative on the Community Preservation Committee.

Thank you to Judy Larter for her many years of service on the Planning Board. Judy left the Board in May 2010. We would like to welcome Joan Simmons as our newest member to join the Planning Board.

Secretary, Cheryl Mann attended a conference in March at Holy Cross in Worcester. Subjects included: “Special Permits & Variances”, “Writing Defensible Decisions” and “Ethics for Municipal Boards”.

THE BOARD OF ROAD COMMISSIONERS

As a result of continued budget constraints, meeting the needs of the town has remained a challenge. During the year, we completed projects throughout the town, including paving a section of Groton St., brush removal along roadsides, and culvert replacement in various locations. An attempt is continuously made to keep the rubbish picked up along our roadsides. In addition to snow removal on town roads, we assisted with snow removal at the town hall, cemetery, town pumping station, transfer station, library and Larter Field.

David Tully Jr., Highway Foreman, continued to work with federal and state agencies in attempts to recover costs associated with emergency management efforts, storm clean-up and damage repairs from the 2010 flooding. Reimbursement monies from both FEMA and the state were secured by his efforts.

There are a number of future projects we continue to actively monitor. The wall at McGovern's farm has been approved for state funding. The North Main Street Bridge has been listed as a TIP project by the state and also will be funded by the state. Work is scheduled to begin in 2015. The replacement of the salt shed remains a high priority project as it continues to deteriorate.

We continue to assist other town boards with several projects. The Highway Department assisted the Water Department various times throughout the year including flushing the water system and fixing leaks. David Tully Jr., Acting Water Superintendent, assisted with monitoring the pump station, fixing leaks, reading and changing over meters, and exercising valves. He also assisted with the alarm system and pressure problems.

During the year, the Highway Department continued to attend training courses and Emergency Management meetings.

I would like to thank my fellow Commissioners, Tom Dumont and David Crandall for their input and suggestions that have been helpful and instrumental in making it though this financially challenging year.

Michael Martin

GROTON-DUNSTABLE REGIONAL SCHOOL DISTRICT SUPERINTENDENT OF SCHOOLS

The Groton-Dunstable Regional School District is a public school collaborative to ensure that the students, parents and taxpayers of Groton and Dunstable receive quality and measurable teaching-and-learning outcomes consistent with the management of dollars and human resources provided.

Improving student achievement is our collective goal.

The school committee and superintendent -- by statute in the Education Reform Act of 1993 -- are entrusted with the responsibility to create and manage articulated academic and fiscal policies toward improved achievement in every classroom. Our site-based administrators and staff are entrusted with delivering measurable learning outcomes in safe and organized environments based on those policies.

That delivery requires three fundamental needs:

- 1) A stable district budget
- 2) Reduced class size, especially in Grades 1-4
- 3) Articulated and school-committee approved Areas of Essential Learning that become curriculum maps for long-term management in each school by the principal

Every school-district budget in Massachusetts requires adherence to state and federal mandates for accountability. For examples, The Massachusetts Department of Elementary and Secondary Education (DESE) calls upon districts to demonstrate regulatory and statutory compliance. This year the school district was audited by the DESE Coordinated Program Review process. Additionally, our High School is going through the 10-year accreditation visit this spring by the New England Association of Schools and Colleges.

Our daily accountability mandate is that each one of our students meets the following minimum requirements during each grade: 1) Reading at grade level 2) Writing at grade level 3) Math at grade level 4) Mastery of content, especially in Grades 5-12.

These four mandates will be accomplished by incorporating formative and summative assessments to measure student achievement, while accommodating instructional creativity, and creating a service-based model in each classroom, rather than a jobs-based model of extended and costly remedial services.

These four mandates are fundamental pieces of NCLB (No Child Left Behind), CCS (Common Core Standards), and the Massachusetts Curriculum Frameworks.

Our work this year included:

1. Generated community and school input toward data gathering about what is working and what needs improved management.
2. Implemented federal mandates in special education that require alternative pre-referral learning opportunities before an IEP is constructed.
3. Organized improved special education services after an IEP is constructed.
4. Included Parents and staff in shared decision- making.
5. Implemented contractual agreements in place around professional development time.
6. Supported our principals as the site-based manager and education leader of the school under state statute.
7. Organized that support by developing Areas of Essential Management and Areas of Essential Learning.
8. Provided timely and ongoing facilitation meetings with the school committee, and then with the administration to get all major stakeholders on the same planning page since last June.
9. Examined the use of support personnel with regard to time on task with direct student contact.
10. Constructed improved specialist's services and schedules.

During the development of this FY12 school budget, our major challenge is to be fiscally responsible in the approach, and committed to maintaining and improving learning. All the while, we must be vigilant in our conscious awareness of the current state and local economic restraints, so that both the school district and all municipal services are sustained to preserve the Groton and Dunstable communities as vibrant places with a quality of life enjoyed by its citizens.

Respectively Submitted By,

Joseph A. Mastrocola, Superintendent of Schools

GROTON-DUNSTABLE REGIONAL SCHOOL DISTRICT
DIRECTOR OF BUSINESS AND FINANCE

For FY 2010 the District was able to control expenses and ended the year with an excess and deficiency (E&D) balance of \$965,114 representing 2.75% of the 2011 budget. By law the District is permitted to maintain a fund balance of 5% of the budget in order to pay for unanticipated expenses particularly in the areas of private school tuitions and building infrastructure repairs (HVAC, roofs etc.).

Per a recommendation from the District's audit firm, a complete and thorough analysis was done on all withholding accounts in order to correct some ongoing deficit balances. All necessary adjustments and corrections were made as of 6/30/10 and the District now monitors these accounts on a monthly basis.

The District continues to be concerned with reductions in state aid particularly with Chapter 70. For FY2011 the School Committee approved the transfer of \$350,000 from the E&D account in order to balance the budget of \$35.1M. Healthcare expenses remain a major cost driver.

The District is now in its second year with the State's Group Insurance Commission program (GIC) and we are in the process of evaluating whether continuation beyond the three year commitment will be cost effective.

Looking ahead the District is working closely with both Towns in order to maintain assessments at an affordable level while implementing educational changes to improve student achievement.

PUPIL PERSONNEL SERVICES

The Pupil Personnel Services Department provides support services for students in the Groton-Dunstable Regional School District to allow access to the general curriculum and to strengthen the opportunity to progress effectively in all academic areas. Support services provided to students include: nursing, guidance counseling, school social work/adjustment counseling, behavior consultation, psychological assessment, related therapy services that include speech/language, occupational and physical therapy, assistive technology, special education, early childhood program, and special transportation. All schools have a registered nurse, guidance counselors, a Team Chairperson, special education teachers and paraprofessionals. District-wide personnel offer related therapy services, psychological assessment and counseling in each school. The continuing goals of Pupil Personnel Services are: to support inclusion opportunities and activities through expansion of the co-teaching model including ongoing professional development for teachers, to facilitate positive transition of students changing schools through a collaborative process that includes staff and parents in transition planning, to provide professional development to teachers on scientifically researched methods and programs - particularly in the area of reading and math, to increase collaboration between special education and regular education staff, to increase communication and collaboration with parents, and to provide as many effective and cost-efficient services for special education children as possible within the school district.

PETER TWOMEY YOUTH CENTER

The Peter Twomey Youth Center (PTYC) is the base for the Extended Day Programs (FR/SU/BT); Community Education Programs (adult and children's enrichment); and, scheduling for all District facilities including the Performing Arts Center, Black Box Theater, gyms and fields. It is self-supporting and is funded by tuitions, community donations and the annual Peter Twomey Memorial Golf Classic. It is located on the Main Campus of schools in Groton.

The Extended Day Program, at all locations, is committed to providing academic support, supervised peer socialization and organized age appropriate activities within a safe and nurturing environment. The Community Education Program was able to increase their offerings during the year with additional adult ed classes along with a wider variety of children enrichment programs. Community Ed was also able to incorporate several programs that were in danger of being cut due to budget constraints such as the Middle School and Elementary plays, the Middle School Ski Program and the Elementary Band Program. The PTYC continues to offer needed meeting space for community groups and gym space for children/adult athletics along with weekend social space for Middle School students in Grades 5 and 6 on specified Saturday evenings.

Director of Extended Day and Community Services

GROTON-DUNSTABLE REGIONAL HIGH SCHOOL

In 2010, Dr. Shelley Cohen retired as Principal of Groton-Dunstable Regional High school after three years of dedicated service. In addition, Mr. John Gould and Mr. Christopher Jones left GDRHS to become administrators in other districts. A new administrative team was launched in the fall. Dr. Stephen Dlott became Interim Principal, Ms. Marisa Brisson was appointed Interim Assistant Principal and Mr. Rick Arena was designated Interim Dean of Students. Central office will begin a search for permanent replacements in the winter of 2011 with the new team in place for July 1, 2011.

Groton-Dunstable Regional High School students, teachers, administrators, and staff are proud of both the collective and individual achievements during the 2009-2010 school year. The achievements span the areas of academics, athletics, visual arts and the performing arts.

Performance Data

- 96% of the GDRHS graduating class of 2010 enrolled in post secondary institutions.
- GDRHS SAT scores for 2010: Reading (557), Writing (547), Math (577)
- 79 % of our students taking Environmental Science A.P. exams scored a 3 or higher.

- 100% of our students taking Calculus BC A.P. exams scored 3 or higher
- 99% of our students taking U.S. History A.P. exams scored 3 or higher.
- 100% of our students taking Physics A.P. exams scored 3 or higher.
- 100% of our students taking the Statistics AP exam scored a 3 or higher.
- 58% of our students taking Biology A.P. exams scored 3 or higher.
- 80% of our students taking English Literature A.P. exams scored 3 or higher.
- On the 2010 MCAS Tests, our students scored well above the state average and we have met Annual Yearly Progress as outlined in the No Child Left Behind Act.
 - Math: 97% Advanced & Proficient
 - English: 97% Advanced & Proficient
 - Science: 94% Advanced & Proficient
- There were 65 Adams Scholarship Winners.

Accomplishments 2009-2010

- Twelve GDRHS students were selected to the Central MA District Chorus and Band. Seven GDRHS students received All-State recommendations.
- Approximately one third of the Class of 2010 was enrolled in the Senior Internship Program.
- Through the Student Activities Council and various other students groups, GD made donations to several local charities during the past school year including the Lowell Wish Project and Loaves & Fishes Food Pantry.
- GDRHS continues to offer over 27 clubs and activities for students in grades 9 through 12.
- Our 9th grade orientation, with the theme “Embrace the Challenge” proved to be a very successful.
- GDRHS offered 24 different athletic programs and 43 teams in the 2009-2010 season
- 350 students at GDRHS participated in athletics during 2009-2010.
- Over 65% of the students at GDRHS participated in athletics during the school year.
- Groton-Dunstable Football Team played its third season with continued success qualifying them for the Central Mass Football Playoffs for the third year in a row.
- Dances after each home game provided students with safe and supervised opportunities to gather, listen to music, and enjoy our beautiful facility.
- The 2010 Homecoming Dance had over 500 students in attendance.
- GDRHS won several league championships in the Mid Wach League in 2009-2010 school year.
- Students from the 2009-2010 Professional Journalism, Design, and Production class and members of the Yearbook Club were honored by the National Scholastic Press Association (NSPA). The GDRSD 2009-2010 yearbook earned a First-Class Honor Rating. This was the first year that the GDRHS yearbook received a Mark of Distinction in writing after receiving the Mark of Distinction in Photography in the previous year.

GROTON-DUNSTABLE REGIONAL MIDDLE SCHOOL

Middle School Accomplishments 2010-2011

Over the last year, the middle school has made a concerted effort to address the topic of Gifted and Talented Education by establishing some preliminary initiatives. These initiatives have been:

- The opening of the “**Enrichment Resource Center**” in the North Building. This center offers teachers and parents a variety of resources (books, literature, websites) on “Gifted and Talented” Education.
- Forming a partnership with a consultant from the Neag Center for Gifted and Talented Education at the University of Connecticut to work with our staff in exploring a variety of enrichment strategies that can be incorporated into their classroom practices. The consultant comes in three times during the school year to work with individual grade level teams in discussing teaching strategies that will help enrich the curriculum for all students.
- The offering of a variety of venues for staff to receive training in Differentiated Instruction. Differentiating instruction allows teachers to use a variety of tools/strategies to better meet the diverse needs of all students in a heterogeneously classroom.
- The formation of a Task Force Committee of teachers/parents who meet on a monthly basis to discuss and explore various programs and activities focusing on Gifted and Talented Education.

The middle school is presently exploring the Schoolwide Cluster Grouping Model which involves identifying those students who are Gifted & Talented or Twice Exceptional (gifted students with learning disabilities) and “clustering” them in the same heterogeneously classroom with a teacher who has had training in working with Gifted and Talented students. This model benefits all students in the classroom and improves achievement across **all ability levels**.

Another initiative taking place at the middle school is with exploring the Turning Points Model. Turning Points is a comprehensive education reform model that focuses on improving student learning. Recognizing the need to both strengthen the academic core of middle schools and establish caring, supportive environments that value all young adolescents, Turning Points helps middle schools undergo dramatic change.

Some of the topics being explored are:

- Developing norms for effective teaming. The use of agendas, minutes and behavioral norms enhance trust amongst teachers and the effectiveness of team meetings.
- “Looking at student work” which involves evaluating student work as a means to adjust and improve teaching. The teachers learned a variety of protocols to use when looking at student work.

- Learning about advisories. Advisories are regular meetings between a small group of students and an adult. One of the main purposes of advisories is for each student to get to know one adult at school very well. The advisories are student led, and might discuss anything from conflict resolution or social skills to a school program held the night before. The adult and students develop close relationships which continue throughout the students' entire middle school years.

Other accomplishments include; school – wide assemblies on bullying/cyberbullying, making Adequate Yearly Progress in mathematics, ongoing curriculum work across all content areas including MCAS analysis, writing across the curriculum, formulating Areas of Essential Learning and analysis of common formative/summative assessments, raising over \$10,000 for Project Mitten (sending donations to needy families during the holiday season), Destination Imagination, Expanding the C-Teaching Model, School Wide Spelling and Geography Bees and the implementation of a new textbook series in grade 6.

SWALLOW UNION ELEMENTARY SCHOOL

Swallow Union School is located in the center of Dunstable. The Union building was dedicated in December, 1895 with less than 60 students, K-9. The Swallow building opened its doors in 1963 and a connector was added in 1978. The last major renovation was completed in September, 1995. Currently we house grades K-4 and we have roughly 350 students.

During this past school year our students continued to excel academically. They scored in the top 10% state wide on the MCAS and got rated very high on the Massachusetts Annual Yearly Progress Report (AYP). We have also incorporated a new Literacy Intervention Program to address the needs of our struggling first grade readers. From our on-going assessments and data, the students in this program have demonstrated steady growth in their performance. Lastly, we are the process of updating our school-wide behavior policies. We will be in changing our policies so they reflect a more positive approach with clear behavior expectations for our students.

BOUTWELL EARLY CHILDHOOD CENTER

The Boutwell Early Childhood Center provided an integrated, language based early childhood education program that offered stimulating programming for 100 children aged 3-5 over the past year as well 17 children who attended the Parent Child Playgroup. Along with daily discoveries in our subject areas, we encountered some moments worth highlighting along the way.

Accomplishments 2010:

- Improved the alignment of specific preschool curriculum (This year's area of focus is Physical Skill Development) and the Guidelines for Preschool Learning Experiences
- Fourth year of the School Council for the Boutwell School, the Council focused improving safety and increasing enrollment.
- Continual improvement in pre-numeracy, pre-writing and school readiness skills
- With funding provided by the Florence Roche/Boutwell Parent Teacher Association put a fence around the playground
- Expanded parent run science workshops (designed by teachers)
- Expanded the use of our social skills curriculum (AI's Pals)
- Aligned the district new writing Area of Essential Learning (AEL) with the Guidelines for Preschool Learning Experiences
- Expanded the Kindergarten readiness program to better prepare children who will be age eligible for Kindergarten the following year
- Expanded our writing program (Hand Writing without Tears)
- Trained staff to implement new intensive instruction methodologies in inclusive classrooms
- Upgraded two classroom computer systems

Goals for 2011:

- Complete the work on the alignment of our Physical Skills Development curriculum and the Guidelines for Preschool Learning Experiences
- Train staff in new ways to increase the communication skills of preschool students
- Upgrade the school phone system

Boutwell welcomes the following new staff members for the 2009 – 2010 school year: New Student Support Assistant – Michelle Burrill.

With this year's physical skills focus, Boutwell students are working hard to achieve movement and coordination skills that will improve their ability to learn throughout their lives. Thanks to the efforts of our teachers and specialists, students are developing body awareness, strength and coordination through locomotion activities; the ability to use both sides of the body to strengthen bilateral coordination; the use of eye-hand coordination, visual perception and tracking, and visual motor skills in play activities. Thanks to the generosity of the Boutwell/Florence Roche PTA and grant monies we have a new playground that has equipment that is specifically designed for three and four year children and the entire play area is fenced.

GREATER LOWELL TECHNICAL HIGH SCHOOL DISTRICT

The Greater Lowell Technical High School Committee meets in the Administrative Office (Room 2260), 250 Pawtucket Boulevard, Tyngsborough, Massachusetts. Meetings are public and district residents are welcome to attend. School Committee and sub-committee meeting schedule, past meeting minutes, and the current FY budget are listed on the school's web site at www.gltech.org.

MISSION STATEMENT

Greater Lowell Technical High School commits to ensure students' readiness for career, college, and citizenship in the 21st century. We challenge and support students as they realize their individual potential for personal and professional success.

PHILOSOPHY

Greater Lowell Technical High School believes in the philosophy and goals of the Massachusetts Common Core of Learning, the Massachusetts Curriculum Frameworks, and the Massachusetts Vocational Technical Education Frameworks to ensure that students attain the academic and technical skills required to secure employment, to continue post-secondary studies, or to pursue a combination of both.

MCAS

Greater Lowell Technical High School's Grade 10 first time passing rates are as follows: English 95% math 90%, and science 88%, with the science numbers improving by 4% from last year's scores. The passing rate has shown improvement in most areas over the four year period. Students scoring in the Advanced and Proficient English category totaled 51%. While 55% our GLTHS students scored in the Advanced and Proficient categories for math. Seventy percent of GLTH students scored in the Proficient and Advanced categories for the science test.

POSTSECONDARY AND LPN PROGRAMS

Postsecondary - Greater Lowell offers a variety of choices for those interested in improving job skills, changing careers or simply pursuing a leisure-time interest. More than 450 students took postsecondary courses during the past school year. Students can earn certificates of completion in many of the courses including vocational-technical courses for licensure such as Electrical Code Review, postsecondary career courses such as EKG, and enrichment courses such as Digital Photography using Photoshop

LPN - The Practical Nursing Program is a 40-week, postsecondary course with 1,097 hours of classroom and clinical instruction. This past year 70 students graduated from the program and became licensed practical nurses. After completing the program, graduates are eligible to take the National Council of Licensing Examination - Practical Nursing. To accommodate diverse schedules, both a daytime and an evening/weekends division are offered.

COMMUNITY INVOLVEMENT

Greater Lowell Technical High School takes pride in giving back to the member communities. In the past, students restored a 1980s Army vehicle for the Dunstable Fire Department to assist in fighting fires in wooded areas, built voting booths for town elections, and a storage shed for the Dunstable Police Department.

The Community Service Learning Program at Greater Lowell Technical High School promotes community involvement by connecting academic studies to real-life experiences. Service learning projects combine community service with student learning in a practical way that enhances academic knowledge, empowers students to take on a leadership role, and improves community environments and fellowship. This year more than 100 students participated in over 30 community service events this past year.

THE WATER COMMISSIONERS

To the Water Users and Citizens of the Town of Dunstable, this is the 2010 Annual Report for the Dunstable Water Department.

As part of our normal business practice, the Dunstable Water Department replaces water meters roughly every ten years. DEP suggests replacing older meters as they may start reading erratically which could result in inconsistent water bills. Twenty-three meters were replaced by Small Water Systems in the fall as part of our Meter Replacement Program.

This fall, the Department completed work on the Raco Alarm system. This wireless system measures PH, power failures, pressure, Parco valve operation, eyewash system, and the chemical pit. If an alarm registers at the pump station, the appropriate personnel are alerted immediately. MassDEP requires that all facilities have alarm capabilities to notify appropriate personnel in the event of a treatment malfunction (310 CMR 22.04). This was listed as a “deficiency” on our 2008 Sanitary Survey. The Dunstable Water Department is happy to report that we are now in compliance.

Secretary, Cheryl Mann attended the class “Preparing For and Responding to a Sanitary Survey” in November at the Littleton Light, Electric and Water Department office. Sanitary Surveys are conducted by DEP every five years.

Dick Kilhart and Mike Leach from Mass Rural Water continued to be a great resource to the Water Department in 2010 locating valves on Highland Street.

The Water Department is grateful to our own Board of Road Commissioners, David Tully and George Mershon for their ongoing support over the past year.

The Commissioners would like to thank Don Pottle for his three years of commitment to the Water Board. Don’s dedication and knowledge of the water department was evident by the responsibilities he undertook in his three years.

The Board would like to welcome Bob Gamache as our newest Water Commissioner, elected at the Annual Town Meeting in May.

If you have any questions, please feel free to contact us at 978-649-4514 x230. Our office hours are: Monday-Thursday 7:30am-3:00pm. The Water Board meets the 4th Tuesday of the month. The public is invited.

Thank you for your continued support.

Respectfully,

Karl Huber-Chairman
Peter Georges – Commissioner
Robert Gamache-Commissioner

or take any action in relation thereto.

ARTICLE 32. To see if the Town will vote to amend the General By-Laws by inserting the following bylaw establishing an Affordable Housing Trust Fund Board of Trustees and an Affordable Housing Trust Fund pursuant to MGL Chapter 44 §55C:

**"AFFORDABLE HOUSING TRUST FUND BOARD OF TRUSTEES
Authorized by G.L. c. 44, s. 55C**

- Section 1. Establish: Establish a Affordable Housing Trust Fund Board of Trustees.
- Section 2. Composition. The Affordable Housing Trust Fund Board of Trustees shall be composed of five trustees, including one member of the Board of Selectmen.
- Section 3. Appointment of Trustees; Term; Vacancies; Tenure of the Trustees
There shall be a Board of Trustees consisting of five (5) Trustees appointed by the Board of Selectmen. At least one of the Trustees shall be a member of the Board of Selectmen, who shall serve as the representative of the Board of Selectmen. Only persons who are residents of Dunstable shall be eligible to hold the office of Trustee. The Trustees shall serve for a term not to exceed two years and may be re-appointed at the discretion of the Board of Selectmen. Any Trustee may resign by written instrument signed and acknowledged by such Trustee and duly filed with the Town Clerk and recorded with the Middlesex North Registry of Deeds and filed with the Middlesex North Registry District of the Land Court. If a Trustee shall die, resign or for any reason cease to be a Trustee hereunder before his/her term of office expires, a successor shall be appointed by the Board of Selectmen to fill such a vacancy, provided that in each case, the said appointment and acceptance in writing by the Trustee so appointed is filed with the Town Clerk and recorded with the Middlesex North Registry of Deeds and filed with the Middlesex North Registry District of the Land Court. If any Trustee is absent from four (4) consecutive regularly scheduled meetings of the Trust, except in the case of illness, this position shall be deemed vacant and shall be filled by a new appointment as set forth above. No such appointment shall be required so long as there are five (5) Trustees in office. Upon the appointment of any succeeding Trustee and the filing of such appointment the title to the Trust estate shall thereupon and without the necessity of any conveyance be vested in such succeeding Trustee jointly with the remaining Trustees. Of the original trustees, two shall hold office until one year from initial appointment, and three shall hold office until two years from initial appointment.
- Section 4. Compensation. The trustees shall serve without compensation.
- Section 5. Removal. Trustees may be removed by a majority vote of the Board of Selectmen.
- Section 6. Powers and Duties. The trustees shall administer an Affordable Housing Trust Fund to provide for the creation and preservation of affordable housing within the Town of Dunstable for the benefit of low, moderate, and median income housing.

The specific powers and duties of the trustees, all of which shall be carried on in furtherance of the purposes set forth in this chapter are as follows:

(1) to accept and receive real property, personal property or money, by gift, grant, contribution, devise or transfer from any person, firm, corporation or other public or private entity, including but not limited to money, grants of funds or other property tendered to the trust in connection with any ordinance or by-law or any general or special law or any other source, including money from chapter 44B;

(2) to purchase and retain real or personal property, including without restriction investments that yield a high rate of income or no income;

(3) to sell, lease, exchange, transfer or convey any personal, mixed, or real property at public auction or by private contract for such consideration and on such terms as to credit or otherwise, and to make such contracts and enter into such undertaking relative to trust property as the board deems advisable notwithstanding the length of any such lease or contract;

(4) to execute, acknowledge and deliver deeds, assignments, transfers, pledges, leases, covenants, contracts, promissory notes, releases and other instruments sealed or unsealed, necessary, proper or incident to any transaction in which the board engages for the accomplishment of the purposes of the trust;

(5) to employ advisors and agents, such as accountants, appraisers and lawyers as the board deems necessary;

(6) to pay reasonable compensation and expenses to all advisors and agents and to apportion such compensation between income and principal as the board deems advisable;

(7) to apportion receipts and charges between incomes and principal as the board deems advisable, to amortize premiums and establish sinking funds for such purpose, and to create reserves for depreciation depletion or otherwise;

(8) to participate in any reorganization, recapitalization, merger or similar transactions; and to give proxies or powers of attorney with or without power of substitution to vote any securities or certificates of interest; and to consent to any contract, lease, mortgage, purchase or sale of property, by or between any corporation and any other corporation or person;

(9) to deposit any security with any protective reorganization committee, and to delegate to such committee such powers and authority with relation thereto as the board may deem proper and to pay, out of trust property, such portion of expenses and compensation of such committee as the board may deem necessary and appropriate;

(10) to carry property for accounting purposes other than acquisition date values;

(11) to borrow money on such terms and conditions and from such sources as the board deems advisable, to mortgage and pledge trust assets as collateral;

(12) to make distributions or divisions of principal in kind;

(13) to comprise, attribute, defend, enforce, release, settle or otherwise adjust claims in favor or against the trust, including claims for taxes, and to accept any property, either in total or partial satisfaction of any indebtedness

or other obligation, and subject to the provisions of this act, to continue to hold the same for such period of time as the board may deem appropriate;

(14) to manage or improve real property; and to abandon any property which the board determined not to be worth retaining;

(15) to hold all or part of the trust property uninvested for such purposes and for such time as the board may deem appropriate; and

(16) to extend the time for payment of any obligation to the trust.

The powers and duties enumerated above are intended to encompass all powers and duties of the trustees. Any action, power or duty not enumerated above shall require prior approval of the Town Meeting.

Section 7. Records: Annual Report. The Trustees shall keep a record of its doings and, at the close of every fiscal year, prepare a report to be made at the Annual Town Meeting. The report shall include a description and source of funds received and expended and the type of affordable housing programs or properties assisted with the funding. The trustees shall also provide the Town Clerk with a copy of the trust's annual audit."

or take any action in relation thereto.

ARTICLE 33. To see if the Town will vote to amend the General ByLaws by adding the following new bylaw, entitled "Community Housing General Bylaw":

COMMUNITY HOUSING GENERAL BYLAW
Adopted under Section 21 of Chapter 40 of the General Laws:

Section 1. PURPOSE

The purpose of this By-law is to promote the public health, safety and welfare by encouraging the creation of housing that more people can afford, especially people who live and work in the Town of Dunstable, in order to meet the Town's goal of providing diversity and to mitigate the impacts of market-rate residential development on housing costs.

Section 2. DEFINITIONS

As used in this By-law:

- 2.1 "Area Median Income (AMI)" shall mean the median income of the Lowell Metropolitan Statistical Area, or other applicable area as may be determined or defined by the U.S. Department of Housing and Urban Development regulations, at 24 C.F.R. 5.609, adjusted for household size, as amended from time to time.
- 2.2 "Community Housing" shall mean housing for an eligible household for which, in perpetuity, the maximum sale/resale price or the maximum rent shall be as set forth in the LIP Guidelines.
- 2.3 "Eligible Household" shall mean a household whose total combined annual income does not exceed 80% of AMI.
- 2.4 "Local Initiative Program (LIP)" shall be as set forth in 760 CMR 56.00 and the guidelines enacted thereunder, as may be amended from time to time (the LIP Guidelines).

- 2.5 "Phased or Segmented Project" shall mean a Project on one or more adjoining lots, which lot or lots is/are in common ownership or common control at the time of application for a building permit or within four years prior to such application, for which one or more building permits is/are sought within a period of four years from the date of application for any building permit for the Project.
- 2.6 "Project" shall mean developments subject to the Community Housing requirements of this By-law.
- 2.7 "Residential" shall mean housing that is single-family, duplex, multiple family, apartment, townhouse, garden apartment, boarding and lodging, and conversion of a single-family home into more than one Residential unit.

Section 3. APPLICABILITY

This By-law shall apply to the issuance of certificates of occupancy for (a) the creation of six (6) or more residential units, including Phased or Segmented Projects, whether by new construction, expansion of floor space of existing buildings, reconfiguration of floor space resulting in a reduction in the number of Residential units, or change of use in one or more existing buildings and (b) to any division of land for development of six (6) or more Residential units, including Phased or Segmented Projects.

Section 4. COMMUNITY HOUSING REQUIREMENTS

- 4.1 One of the first six units in a Project with Residential Units shall be Community Housing. In a Project with more than six total units, one of each of the next six units shall be Community Housing. Fractional numbers shall be rounded to the nearest whole number. Section 6.0 shall apply to any fractional number rounded down.
- 4.2 Community Housing units shall meet all LIP requirements. To the extent this By-law (or rules promulgated thereto) is inconsistent with LIP requirements; the more stringent requirement shall prevail. To the extent that it is not clear whether the requirements of LIP or this By-law are more stringent, the LIP requirements shall prevail.
- 4.3 There shall be a local preference for Community Housing units as may be consistent with the LIP Guidelines and federal and state law.

Section 5. COMMUNITY HOUSING ADMINISTRATION

- 5.1 The Board of Selectmen or a designee shall be charged with the administration of this program, including the monitoring of the long-term affordability of all Community Housing units.
- 5.2 Prior to issuance of the certificate of occupancy for the first market rate dwelling unit within a Residential Project with six or more units the applicant shall submit to the Board of Selectmen or the designee, for review and approval, the following documents:
1. A housing plan showing the location, square footage, unit types, number and types of rooms, and location of all units (designating the Community Housing units) and number of Community Housing Units. Also to be included are elevations, floor plans, outline specifications for the market-rate and the Community Housing units (demonstrating comparability between Community Housing and market-rate units);

2. A proposed deed rider or rental restrictions, monitoring services agreement, regulatory agreement (if required by LIP), condominium documents (or outline of the affordability requirements), and marketing plan (including the tenant selection plan) and any other materials requested by the Board of Selectmen or the designee.
 3. If a condominium is proposed, the condominium documents shall meet the following requirements:
 - a. Percentage (beneficial) interests shall be based on the sales price of the Community Housing units at the time of the recording of the master deed;
 - b. All votes shall be one unit - one vote except where the condominium statute requires percentage/beneficial interest votes. See G.L. c.183, s.10;
 - c. There shall be no amendments to the Community Housing provisions;
 - d. In the event of condemnation or casualty or purchase by other than an Eligible Household (i.e. such a household cannot be located)– excess proceeds above maximum sale or resale price shall to be donated to the Town's Affordable Housing Trust Fund established pursuant to G.L. c. 44, s. 55C.
 4. Any costs associated with technical review required by the Board of Selectmen or the designee to review the housing plan, the documents subject to legal review or to otherwise administer this program, shall be paid by the applicant.
- 5.3 The Building Commissioner shall not issue any certificate of occupancy for a dwelling unit within a Residential Project that has not complied with the requirements of this By-law.

Section 6. SMALLER DEVELOPMENTS

In a smaller development of less than six units, or in a Project of more than six units where a fractional number has been rounded down, prior to the issuance of the certificate of occupancy for each market rate dwelling unit, the developer shall be required to make a payment in lieu to the Town's Affordable Housing Trust Fund in accordance with the following formula:

Sales Price of Unit X Contribution Factor

The Contribution Factor is based upon the number of units in the subdivision:

Number of Units in Subdivision	Contribution Factor
1 to 5	3%

Example: The Trust Payment due upon the initial sale of a \$500,000 unit in a 5 unit Project would be $\$500,000 \times .03 = \$15,000$.

Section 7. COMMUNITY HOUSING RULES

The Board of Selectmen may promulgate rules for the implementation of this program."

or take any action in relation thereto.

ARTICLE 34. To see if the Town will vote to amend the Zoning Bylaw of the Town of Dunstable in Subsection **11.8. Growth Rate Limitation**, by extending the date provided for its lapse, as follows:

By deleting the date **May 9, 2011** in the first paragraph of Subsection 11.8.1 and by substituting therefore the following date: **May 9, 2021** so it reads:

"11.8.1 Applicability. The rate of development established hereunder shall apply to the issuance of all building permits for construction of new dwelling units on lots created after May 14, 2001. This Subsection 11.8., of the Zoning Bylaw shall lapse at midnight on Monday, May 9, 2021, unless the Town shall sooner vote to extend its provisions at a Special or Annual Town meeting following notice and hearing duly carried out according to Chapter 40A of the General Laws, as amended. In the event of any such vote, the Planning Board shall report to any such Town Meeting regarding the effectiveness of the Growth Rate Limitation provisions of this bylaw and regarding the need, if any, to continue and/or amend such provisions."

or take any action in relation thereto.

ARTICLE 35. To see if the Town will vote to amend the Zoning Bylaw in Section 8. B-1 Retail Business District, by renumbering Section 8.2(d) Uses Permitted by Special Permit of the Planning Board as follows:

"8.2. Uses Permitted by Special Permit of the Planning Board

- (a) Office for contractors and tradesmen including carpenters, electricians, plumbers, landscapers, painters, and masons. Storage and maintenance of vehicles used in the business. Parking for employees and customers. Interior and exterior storage of materials directly used in the operation of the business provided any exterior storage is screened from view from any public way, residential zone or use. Provided further that any such use or storage will not create a noise, dust, vibration or odor nuisance. No retail sale of material is allowed at the site.
- (b) The Planning Board may impose any requirements or limitation on size of buildings and storage areas, number of parking spaces, hours of operation, setbacks of buildings, and pavement/parking area from property lines, provided that the setbacks are not less than otherwise required by this bylaw.
- (c) All applicants granted a special permit by the Planning Board under this section of the Zoning Bylaw who are required to obtain a National Pollution Discharge Elimination System (NPDES) permit for stormwater discharge associated with industrial activity shall provide a copy of the Notice of Intent (NOI) and Stormwater Pollution Prevention Plan (SWPPP) to the Planning Board. Failure to comply with all provisions of the NOI, SWPPP and resultant permit shall be grounds for revocation of the site plan and special permit approval by the Planning Board."

or take any action in relation thereto.

ARTICLE 36. To see if the Town will vote to amend the Zoning Bylaw of the Town of Dunstable in **Section 20. Definitions**, by adding the following thereto, "**Subsection 20.22. Wind Energy Conversion**: the following definitions shall apply in **Section 24** of this bylaw, **Wind Energy Conversion Devices**:

- (a) **Nacelle:** The frame and housing at the top of the wind energy conversion facility tower that encloses the gearbox and generator and protects them from the weather.

- (b) **Rotor:** The blades and hub of the wind energy conversion device that rotates during energy conversion device operation.
- (c) **Small Scale Wind Energy Conversion Device:** A wind energy conversion device that may be free-standing or mounted on a structure not exceeding 65 feet in height.
- (d) **Special Permit Granting Authority (SPGA):** The Planning Board
- (e) **Large Scale Wind Energy Conversion Device:** A wind energy conversion device that exceeds 65 feet in height.
- (f) **Wind Energy Conversion Device:** A device that converts kinetic energy of the wind into electrical power. A wind energy conversion device typically consists of a rotor, nacelle and supporting tower.
- (g) **Wind Energy Conversion Facility:** All equipment, machinery and structures utilized in connection with the conversion of wind to electricity. This includes, but is not limited to, all transmission, storage, collection and supply equipment, substations, transformers, site access, service roads and machinery associated with the use. A wind energy conversion facility may consist of one or more wind energy conversion devices.
- (h) **Wind Energy Conversion Device Height:** The distance measured from the natural grade to the highest point on the device during operation.
- (i) **Windmill:** A device, usually associated with agriculture, that converts kinetic energy of the wind into mechanical power, not electrical power. A windmill is not a wind energy conversion device per these definitions.
- (j) **Wind Monitoring or Meteorological ("test" or "met") Tower:** A tower, whose period in existence shall not be greater than 18 months, used for supporting anemometer, wind vane, and other equipment to assess the wind resource at a predetermined height above the ground, erected as part of a wind-energy conversion feasibility process."

And further, in conjunction therewith, to amend **Section 24. Wind Energy Conversion Devices**, by deleting the list of definitions appearing at the end of said section, and by adding the following subsection at the end of the existing text:

"D. Definitions. See Section 20.22 of this bylaw."
